

COZY HOMES

Your one-stop property and
tenant management service.

No need to deal with multiple parties for maintenance or repair works. No need to deal with building management or third-party vendors. No need to babysit your tenants. Ever!

We make everything easy, as everything is handled in a timely manner by us – small or big, simple or complicated, rental home matters or tenant concerns. Simply choose between our Basic Package for **RM399** or **RM599**, or our **Premium Package** for only 15% of your monthly rental.

Late rent? Leaking sink?
Unresponsive condo management?

No problem, we'll handle them for you.

Rental Home Manage is your property
lister, negotiator, handyman and even
your tenant babysitter!

Rent Collection Reminder

Too busy to remember when the monthly rent is due? Don't worry, we'll remind you on the day when it's time for your tenants to deposit their rent. However, with the Premium Package, we'll remind and collect on your behalf.

Tenant's First Point of Contact

Tenants have many requests! You just chill. We can offer solutions and address their concerns for an additional fee.

Tenant Move-Out Inspection

The end of a tenancy calls for a thorough unit inspection, and you won't need to lift a finger. We'll do it on your behalf before you return your tenant their security deposit back.

Maintenance & Repair Jobs

Problems will crop up. No worries, our in-house team will meet your tenant and resolve any issue.

Tenancy Renewal

The rental agreement is ending. But don't worry. We'll sit with the tenant and manage the renewal process.

Unit Listing, Advertising and Viewing

You've got a unit, for rent? Our network of partner property agents will help promote it. We'll also list it on our site, manage all inquiries, and take potential tenants for viewings.

Choose a package that's right for you.
